**Home Respiratory Therapy Program**

Lifespan Home Medical offers a full service respiratory program managed by licensed respiratory care practitioners. Working under the direction of a pulmonologist, the therapist champions the patient’s respiratory status and utilization of equipment. Our therapists are on call 24 hours a day.

Our respiratory therapy services include:
- Home/III oxygen systems
- Portable oxygen systems
- Oxygen-conserving devices
- Sleep apnea equipment
- Nasal CPAP (Continuous Positive Airway Pressured devices)
- Bi-level therapy
- Non-invasive ventilators
- Nebulizers
- Portable suction machines
- Air compressors
- Respiratory disease management education

**Our Philosophy**

We provide comprehensive services, equipment and supplies that enhance our patients’ comfort and enable them to maintain a full and rewarding lifestyle. We are dedicated to educating our customers about the choices available to them.

Our mission springs from the trust we have developed with our patients, doctors and other health care providers, suppliers and insurers. Creating those relationships has given us tremendous satisfaction. We have built our reputation by providing service that is caring and reliable.
