Infrequent/Mild Mature/Suggestive Themes

### APPLICATION DESCRIPTION

Freakin' sweet! Come spend some time with Stewie and Brian in this outrageously funny game based on favorite characters from the Family Guy TV show. It's funny, it's uncensored, it's just plain wrong!

**ROBO STEWIE**  
Battle Bertram's minions in this homage to classic 16-bit gaming.

**ROCKET BRIAN**  
Pay off Brian's debt by helping Stewie in his eternal struggle with his arch-nemesis, Bertram.

**CHARACTER CAMEOS**  
Appearances by Bertram, Olivia, and more!

**Praise from the Press**  
"Family Guy: Uncensored is one of the few licensed iPhone titles I can firmly recommend to any fans of the show out there. The storyline is entertaining, and the mini-games are a ton of fun" — Touch-gen.com
