Personal Quote: I didn't have a problem with rejection, because when you go into an audition, you're rejected already. There are hundreds of other actors. You're behind the eight ball when you go in there. At this point in my career, I don't have to deal with audition rejections. So I get my rejection from other things. My children can make me feel rejected. They can humble you pretty quick. [See more](#) »

Trivia: He first discovered his love for acting at age 10 when he portrayed The Cowardly Lion in a local production of "The Wizard of Oz." He dropped out of high school to join a gang. [See more](#) »
