O'Brien's Fire Breathing Rubber Duckies

In 2012, The Fire Breathing Rubber Duckies were Miles for Moffitt's #1 fund raising team! Our small group raised \$10,000 in the FIGHT against cancer! This year we are looking to DOUBLE our efforts. We have already started our 2013 campaign by selling Jell-O shots at the Ice Rink (\$300), working the beverage distribution at the Brandon's 1st annual Celtic Festival! (\$510), Jell-O shots with Cowhead & Pitbull Toddler (\$1470), Our 2nd annual Garage Sale (\$1204), selling Jell-O shots at O'Brien's of Brandon St Patrick's Day Celebration (\$2960)! Along with our 1st GOLD level sponsor! We are well on our way to our Goal of \$20,000 Future fundraisers include: Our 1st annual Bowling Tournament (April 28th), the "Kick The Can-cer" aluminum can recycling drive, and on May 4th, Our 2nd annual Ken-Ducky-Derby!

What we would like from your company is either becoming a corporate sponsor (Grey-\$50, Lavender-\$100, Dark Blue-\$250, Pink-\$500 & Gold-\$1000) and/or donate an item that could be used in a raffle, a basket or as a door prize. In these economic times, we understand that it is difficult, but we also understand that cancer has touched us all in one way or another. If you can help, PLEASE do! Visit us on Facebook: O'Brien's Fire Breathing Rubber Duckies or check out our new website: WWW.DUCKCANCER.COM.

If you have any questions about any of our 2013 fundraisers, please do not hesitate to contact me directly at (813)404-8735 or e-mail me at: rickmiller@duckcancer.com. Thank-you for your time and consideration in this matter!

Sincerely,

Rick Miller

Our Mission

We want a world where cancer isn't a death sentence and a world where chemo therapy and radiation treatments aren't the favored solutions. One step at a time, one dollar at a time, we want to make strides against cancer! We can't just sit back and do nothing, we need to work together to help find a cure. Please join the fight by walking with us on May 11th or by making a donation to our team. We walk in honor of those we've lost. We walk to celebrate our friend, who is winning the fight and to give hope to those still battling!
