

**Request for Reconsideration after FINAL Office Action dated January 14<sup>th</sup>, 2013**

<http://teas.uspto.gov/office/rfr/> <http://teas.uspto.gov/office/teas.service>

**1. Clarification of the Applicant's Legal Entity Required – Association of Legal Entities**

The legal entity form for TM 79117967 Czech light logo is corrected and newly indicated as follows: CESNET, zaimove sdruzeni pravnickych osob, ASSOCIATION CZECH REPUBLIC Zikova 4 CZ-160 00 Praha 6 CZECH REPUBLIC, i.e. the Applicant is an ASSOCIATION legally organized under the laws of the Czech Republic.

**2. Color Location Statement**

The following is suggested by USPTO and approved as accurate by the Owner (except the omission of the orange color for the letter "i" and some number line issues, which are rectified by the owner and underlined, so as to make obvious the owner's changes of the USPTO's suggestion), thus the color statement is:

*The colors white, red, orange, yellow, black, green, and blue are claimed as a feature of the mark. The color white appears in the text of the wording CZECH LIGHT, and as the shading for the 5 rectangular shapes that serve as the background for the word CZECH. The color red appears as the shading in the rectangular box on which appears the letter L in LIGHT, and as the shading for the top two parallel lines behind the word CZECH. The color orange appears as the shading for the rectangular box on which appears the letter I in the word LIGHT, and as the shading in the two parallel lines beneath the red lines behind the word CZECH. The color yellow appears as the shading for the rectangular box on which appears the letter G in the word LIGHT, and as the shading in the two parallel lines beneath the orange lines behind the word CZECH. The color green appears as the shading for the rectangular box on which appears the letter H in the word LIGHT, and as the shading for the three parallel lines beneath the yellow lines appearing behind the word CZECH. The color blue appears as the shading for the rectangular box on which appears the letter T in the word LIGHT, and as the shading for the four parallel lines appearing beneath the green lines behind the word CZECH.*

**3. Disclaimer of Descriptive Wording – Standardized disclaimer**

Applicant/Owner is aware of the common use of terms "Czech" and "Light" and pursuant to the recommendation provided by USPTO submits the following standardized format for a disclaimer to confirm that TM 79117967 Czech light logo is to be used only as such and only for the goods and services indicated in the application:

*No claim is made to the exclusive right to use "CZECH LIGHT" apart from the mark as shown.*

**4. Clarification of the Identification of Goods and Services required for class 009**

The following is submitted by the Owner to satisfy the USPTO request for the use of common, ordinary language:

*optical receivers, optical transmitters, optical transceivers, optical switches, optical routers, optical spectrum processors, optical dispersion compensators, optical splitters, optical filters, optical channel monitors, optical spectrum monitors, optical spectrum analyzers, optical attenuators including variable, passive optical components, optical amplifiers, free space optics for information transmission, i.e. set of devices for optical transmission of data and non-data signals without fiber over space in air, other transparent gasses or a vacuum; sights for the establishing of a free space optics transmission link using for it light or sound; apertures for optical receivers, i.e. light apertures to be used in conjunction with free space optics receivers.*
