# AQUATIC

**Designed for luxury. Engineered for life.** Whether it's a week spent a world away from home, or a simple afternoon at the spa, your escape is what you make it. For more than 20 years, Aquatic has been developing innovations in hydrotherapy to bring the spa experience into your home. A spectrum of colors to fit your décor. Luxurious features to fit your style. It's a philosophy that has made us the leading luxury whirlpool bath company in the industry. And we continue to be the best through innovative production technology, high-quality materials and the best warranty available.

Browse through our wide product offering. Select the features and designs that fit your preference. Then call your local Aquatic distributor (or our corporate headquarters toll free: 800-555.5324). Together, we can design the perfect spa experience for you, right in your own home.

## MILLENNIUM SERIES

12

The Millennium Series is our crowning achievement in roomy two-person whirlpool baths. This premium collection offers Shiatsu-Pro neck and back jets, chromatherapy, pulsating pillows, reclining lounge seats and the very best in power and hydrotherapy performance.

## INFINITY SERIES

18

True intelligence in hydrotherapy, the Infinity Series provides a sophisticated shiatsu back jetting system, chromatherapy, pulsating neck jet pillow and an effervescent air bath system.

## CENTURY SERIES

26

Each model in the Century Series provides an extra deep bathing well with a variety of relaxing features. Enjoy contoured seating, hydrotherapy back jets, chromatherapy and our exclusive fast-fill waterfall spout.

## LUXEAIR SERIES

36

Invigorating jets pulsating in concert with a refreshing air bath system, all at the touch of a button. The LuxeAir Series is the best of both worlds, letting you change your bath settings from one to the other, or both at once.

## LUXURY SERIES

44

For true hydrotherapy and a wide variety of shapes and sizes, consider the Luxury Series. Models that combine stylish design with practicality.

### SERENITY™ AIR BATHS

# 56

A soothing and rejuvenating experience, Serenity *Air Baths* surround the body with thousands of effervescent bubbles, creating an exhilarating "hot springs" spa experience.

### SERENITY™ STUDIO

# 64

Explore contemporary air baths that fit your environment and your personal taste. Creative designs that make the most of style and space with clean lines and convenient features

### GALLERY SERIES

# 72

An economical collection of quality models with hydrotherapeutic solutions to relax your body, and prices to ease your mind.

### HOTSOAK™ SERIES

# 78

Enjoy endless relaxation in a bathtub that never gets cold with the HotSoak Series – a wide variety of 1- and 2-person designs that offer peace, quiet and complete comfort.

### RESTORATION™ SERIES

# 84

Function and form together in a nostalgic series of beautiful slipper and freestanding baths. It's classic fashion and a relaxing soak in an elegant shape.

### DELICAIR™ LAUNDRY BASIN

# 88

Delicate care for the special things you wear. Delicair uses Aquatic technology to treat your garments with a gentle bubble action.

### Designed for luxury. Engineered for life.

The true measure of value can only be found with experience. There's nothing quite like the experience of an Aquatic whirlpool. It's a combination of luxurious features and quality construction that create the complete hydrotherapeutic bath. With more than 150 models across ten unique series, it's a selection that provides an unbeatable range of shapes and sizes for any décor and every budget. From the elegant Millennium Series to the therapeutic HotSoak collection, Aquatic has a full range of choices for the experience you're looking for.
