The Luxaire® Distributor Advantage

Luxaire® distributors have an important goal: inviting new dealers and retaining the dealers they already have. Luxaire understands this goal, which is why we go beyond product selection and fair pricing for you, and also reach out to your existing and potential dealers with a whole host of advertising and marketing resources and valuable business-building tools that make the Luxaire brand and the Luxaire distributor very attractive to dealers and their customers.

By supporting the dealer with unique offerings like the [Luxaire Performance Partnership Liberties Program](#), [advertising and marketing support](#), and [E-Business Solutions](#), Luxaire in effect supports you by bringing more dealers to the brand you carry.

For more information on becoming a Luxaire distributor call 877-958-9247 or [Contact Luxaire](#). Click on the brochure below for more details.
