GSCAN®

Your clean refueling experience™

can your business afford
the risks associated with
outdated gas cans?

NO Spills
NO Lifting
Easy to Use

**PROTECT AND IMPROVE YOUR
BUSINESS WITH THE G CAN®**

The G CAN® will instantly cut your fuel costs, increase workplace safety and protect your equipment.

YOUR **CLEAN** REFUELING EXPERIENCE™

The G CAN® redefines refueling with:

- » An auto shut-off nozzle with SmartSensing™ Technology to prevent spills and overfills
- » An active vapour-recovery system to minimize the emission of harmful vapours
- » Ergonomic features to allow for an easy refueling experience

**AUTO SHUT-OFF
NOZZLE WITH BUILT-IN
SMARTSENSING™ TECHNOLOGY**
Preventing spills and overfills

ENGINEERED FOR **PERFORMANCE™**

ACTUATOR
Prevents spillage related to premature pouring
and accidental removal of nozzle

**DUAL-LINE FUEL DELIVERY AND
VAPOUR RECOVERY HOSE**

CSA APPROVED
20L PORTABLE

ACTION FUEL PUMP**
Dispenses fuel and
simultaneously
captures and stores
harmful vapours

**COMPACT, DURABLE, AND REQUIRES
NO ASSEMBLY OR DISASSEMBLY**

INSTANT RESULTS

TRUST THE G CAN[®]
TO GET THE JOB
DONE RIGHT

DAILY FUEL SAVINGS

by preventing fuel spills and accidental overfills with a true auto shut-off nozzle.

INCREASE WORKPLACE SAFETY

by preventing dangerous gasoline spills, splashes, and heavy lifting.

REDUCE EQUIPMENT COSTS

with a sealed system preventing contaminants from entering your container (*no cap or spout removal required to refuel*).

ELIMINATE PROPERTY DAMAGE AND CLEANUP COSTS

by ensuring a clean fill every time.

GO GREEN[™] CORPORATE IMAGE

by promoting your commitment to the environment using responsible green technology.

THE RIGHT CHOICE FOR YOUR BUSINESS
