The Filson Bourbon Academy's mission is centered on education and adding to our already internationally recognized archives and special collections of a product that is synonymous with Kentucky – Bourbon.

Company Overview

The Filson Bourbon Academy is a program unique to The Filson. Since its founding in 1884, The Filson has preserved the region's collective memory, not only in Kentucky but also the Ohio Valley and Upper South. The Filson continues to collect and tell significant stories of the region through its extensive research collections and educational programs.

The Filson Bourbon Academy's mission is centered on education and adding to our already internationally recognized archives and special collections of a product that is synonymous with Kentucky – Bourbon.

Description

The Filson Bourbon Academy's mission is centered on education and adding to our already internationally recognized archives and special collections of a product that is synonymous with Kentucky – Bourbon.

The Filson's Bourbon Historian, Michael Veach, has taught Filson Bourbon Academies – a one-day educational history, review of our special collections archives, and tasting – since 2009. The Fi... [See More](#)
