

Avanzar Sales and Distribution Continues it's Rapid Growth and Market Expansion with New Partnerships and Product Lines

Avanzar is once again excited to announce yet another progressive partnership to add to it's ever expanding Sales and Distribution Networks

New World Ventures Group through it's partner companies HempLife(R) and CannaLife(R) are extremely excited to be introducing "The Herbal Collection(R)"

The Herbal Collection will be a full line of "New and Inovative Products" geared towards Forward Thinking and Health Conscience Consumers that are looking for a progressive and ever changing Healthy Lifestyle

Using only the "Fully Legal" ingredients "(No PsychoactiveTHC)" derived from the Hemp/Cannabis plant and it's seeds All products will consist of "Pure Plant Protiens" "Antioxidants"Omega 3,6 & 9" and "Pure Soluable Plant Fibers" along with Vitamins, Minerals and All Natural Flavors

Everything from "Energy Drinks" and "Health Supplement Beverages" with "CannaEnergy" being the introductory "Flagship Product" To a full line of "Energy Bars" and "Breakfast Cereals" will be offered under the "HempStart(R)" banner to further compliment this new and exciting collection

Along with all of the above a "New and Inovative" line of "Healthy Pet Foods" under the "HempWell(R)" banner will be available in the not to distant future for the other important members of our families to enjoy Without all the meat by products and unhealthy fillers normally used in Pet Foods today they will be able to lead Longer , Healthier and much Happier Lives
