## STARLIGHT TATTOO LAS VEGAS

When you enter Starlight Tattoo Las Vegas, you will begin a tattoo experience unlike any other in the world. More than just a tattoo studio, Starlight Tattoo is an energetic, electric experience that combines tattooing, celebrity, Las Vegas, and rock n roll decadence. Starlight tattoo is the place where celebrities, rock and roll icons, and world-renowned tattoo artists come together under one roof unlike any other place in Las Vegas.

Owned and operated by world-famous tattoo artist Mario Barth, Starlight Tattoo is proven to be one of the best studios in Las Vegas. You get the rare opportunity to select three different styles of tattooing - traditional handtool Japanese, traditional handtool Samoan and the modern techniques of Western-style. Tattoo enthusiasts are able to book appointments with world-renowned artists who are otherwise unattainable, such as Mario Barth, Japanese Master Hori

## ABOUT MARIO BARTH

Twenty eight years ago in Western Europe, becoming a tattoo artist took determination and bravado, especially for Mario Barth. Growing up in Austria, where tattooing was not just frowned upon but completely illegal, he came up through the underground. Riding motorcycles and hanging out with a rough bunch, he learned the secrets of the trade in the dark shadows of the earth, every piece of knowledge earned through blood, sweat, and courage.

Despite the many obstacles and dangers presented, Mario devoted himself to learning how to tattoo; no matter the risk. Little did he know that one day his work (28 years tattooing with 15 of them spent on the hard road, winning over 200 International Awards) would become the center of his very own international enterprise.

With a celebrity clientele including Lenny Kravitz, Sylvester Stallone, Tommy Lee and Usher to name a few, Mario owns five tattoo studios including Mario Barths Starlight Tattoo at the Mandalay Bay Hotel and Casino in Las Vegas as well as his latest venture, King Ink at the Mirage. In addition to these monumental tattooing destinations, Mario Barth is the creator and founder of INTENZE Products, the worlds leading tattoo pigment manufacturer.

In 2009 Mario hosted and produced The Biggest Tattoo Show on Earth at the Mandalay Bay Hotel and Casino with 7,000 attendees and 10,000 "tats" done. The show was a massive success with Mario Barth...
